

turn wireless internet services authorized agent program

TURN WIRELESS PROVIDES AGGRESSIVE AND COMPREHENSIVE AGENT INCENTIVES FOR AUTHORIZED TURN WIRELESS PARTNERS. START EARNING COMMISSIONS TODAY BY PROVIDING YOUR CUSTOMERS WITH RELIABLE, AFFORDABLE AND QUALITY INTERNET ACCESS.

Providing high speed internet access just got a lot easier and so did creating immediate revenue opportunities for those partners that are willing to turn wireless. Both you and your customers will enjoy the reliability, cost savings and flexibility of our turnpipe products ranging from 768K all the way up to 100Mbps dedicated internet access. Whether competing against DSL, T1 or even DS3 speeds our unique and powerful service offering fits small medium, large and enterprise business needs. Who needs a T1 when you can get the turnpipe 2 Mbps starting at \$349 a month and of course direct commission for the lifetime of the circuit to authorized turn wireless agents. Our agent program ranges with residual monthly commissions up to 20% in addition to one-time payments of the first months service charge. For those that need the flexibility of sales negotiation and installation we got you covered. Authorized agents receive special tolerance considerations to allow aggressive negotiations and customer commitment without affecting their commission structure.

Turn Wireless agents are eligible for commissions on all turn wireless internet services including but not limited to; high speed internet access, network monitoring, failover and multi-homing services along with off-site backup and storage solutions.

Growing your customer base with turn wireless services will prove to be a great opportunity to earn monthly income while empowering your customers with the internet services they have been looking for. By standing behind our agents with sales and service and service support, together we are able to help drive business forward and create savings to your customers; revenue for as an agent and a long standing relationship of quality in internet services. Sign up today...get connected and start taking advantage of our customer support, fast circuit delivery and excellence in the market. Take a look at our products, give them a try and see why you should turn wireless.

* all services requires qualification. Prices are subject to change.

* this is not an agent agreement and does not entitle you to receive commissions.

* terms and conditions will be executed upon awarding of authorized agent status.
